SUSPENSE

Assembled around a pile-driving machine, the Dillard family gathers together to share in the suspense of the pile-driving ceremony for our rising Student Union. We gathered to witness 'The Brute and 'The Brute was filled with suspense. We gathered for games and Coach Martin joined in with our suspense. We are drawn to dwell in suspense during final examinations and, as individuals, we face suspense filled moments each day in our lives.

WILL ALEXANDER LIBRARY

Construction completed in September of 961 the Will Alexander Library functions under the direction of Ernest Wagner librarian. The library offers open shelf service, individual group tables for study and open and closed reserved shelves. Among other facilities offered for the convenience of the students are five sound-proof listening rooms, a casual reading room, a talking study an audio-visual aids room and committee meeting rooms. Also included among the facilities is an elevator for library personnel.

TABLES ARE FOR DINING FLOORS ARE FOR DANCING

All learning is not confirmed to the process of studying a couple of knives, forks and spoons a companion, a smile, and gosh! that's learning too

Evan a juke box helps—

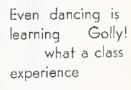

Say!-Did you order the ice cream?

even in the swag line we learn and HOW we learn

Lets see we have bread pudding, beans, beef stew

and in the library
we don't always play
transistor radios
we don't even snitch
a drink of coke

WE DEDICATE

this yearbook to the spirit of those who took part in the lunch counter "sit-ins" throughout the country. We do this because we feel that the philosophy of today's education should help bring about possible peaceful changes in one's

TOWARD A NEW STUDENT CENTER

Dillard University is in the process of receiving a new look. Many inconveniences have developed from this change but in spite of the discomforts, activities continue to thrive. We have reorganized our study habits, co-op habits, fraternity and sorority activities and benchappointments to correspond with the progressive addition to our family

WITH AMPLE SPACE FOR ALMOST EVERYTHING

With regret we saw Kearny Hall partly demolished, but with the reassurances of Dean Phillips and Dean Cope, we can again look forward to ample supplies of hot grilled food and all that goes along with it

Mrs. Bessie Portar, Director of Williams Hall.

Straight Williams those are the dormitories for the campus women Camphor Hartzell, as you know are the dormitories for the men. With the completion of the current remodeling, 06 more men will be living on the campus Good news for Coach Martin and great news for the fair sex

DORMITORY DAZE

An inside scoop on whats happening in the men's dormitory the night before final examinations.

Say thirty cents more and we can send out and get some—*/@# (censored).

Here is what happens whan it's too late to go to a flick too early for a morning swag in the dining hall and it's too quiet to do any studying.

Hare's a new kind of advertisament for sorority hats.

Hooray, at last we can wear our uniforms!

We can never forget those hours of learning the 'bedside technique.

Neither can we forget those hours of 'daignostic' and 'prognistic' problems.

NURSING

MISS RITA E. MILLER Professor of Nursing Chairman, Division of Nursing

Miss Anna M. Sewall

Because she meant so much to the hundreds of students who came to know her, we present this page in memory of Miss Anna M. Sewall, former registrar and assistant professor of nursing, who passed January 28, 1963. The passages below, portions of a faded newspaper clipping which were neatly covered with a sheet of clear plastic, were found on her desk. These passages seem to have spelled out her philosophy of living

I BELIEVE

by James Hilton

I believe in Truth—the Truth we may never find, but which, hopefully even though it may be hopeless, we must pursue to the end.

I believe in Faith, which is the Frame round the invisible image of Truth.

I believe in Doubt which is the solvent of lies and the deep foundation of Faith.

I believe in all the possible kinds of Love.

I believe in God—something including yet also beyond the sum total of everything I believe in.

I believe that Life is worth living, and that Death is probably worth dying also.

I believe that the best luck in life is to be happily married, and the next best luck is to have good friends.

THE ART DEPARTMENT

Assistant professors Vernon Winslow and Frank Gross in a quick studio chat. the department provides expression in the areas of graphics, basic design, drawing and painting, ceramics and school arts.

Dillard's first art gallery is called the Humanities Gallery and has already housed several interesting art shows. Located on the ground floor of Rosenwald Building, it is surrounded by instructors' offices, painting studio and an art workshop.

In deep concentration to solve a problem concerning straw sculpture are two art majors, Theodora Barrett and Brenda Jones.

The Longview Purchase Exhibition became the high-light of Dillard's art emphasis.

BAPTIST STUDENT UNION

The BSU seeks to unite those students motivated toward establishing a medium through which their spiritual roles may be examined. These students engaged mainly in discussions whereby everyone was able to actively take part and also incorporated additional addresses from resource persons. They were represented at the National Baptist Student Union Retreat as a further means of helping to discover new ideas from other BSU members.

LUTHERAN STUDENT MOVEMENT

The Lutheran students of the University have organized to co-ordinate their efforts to further develop a better understanding of their spiritual concern, and identify themselves with effective ways of promoting religion in higher education.

PAN-HELLENIC COUNCIL

The primary objectives of the Pan-Hellenic Council are to develop a spirit of cooperation and fellowship among the various Greek letter organizations on the campus; to coordinate activities for Rush week and initiations; to regulate procedures of social activities; and to provide a channel through which the various organizations may make a united and constructive approach to campus life.

HARTZELL HALL DORMITORY COUNCIL

That dormitory life can be fun is what some of us think some of the time; that the dormitory is sometimes host to Lucifer himself is what others of us think at other times. What all of us think all of the time is that our sojourn in the dormitories ought to be as smooth as possible, void of too many regulations and broken water fountains and supplied with showers having hot water all day. The objective of the council of Hartzell Hall is to insure the attempt of a responsible co-ordinated effort toward achieving this enjoyable dorm living.

WILLIAMS HALL DORMITORY COUNCIL

The council, representative of a cross-section of Sophomore, Junior and Senior women, is concerned with promoting an overall atmosphere of harmonious co-existence, complete with the addition of another telephone to help better spread the word.

In Straight Hall, where most of the Freshman women are housed, the old business of providing a channel for the expression of their wishes to help make residence more palatable is the job of the council. They are pledged to help keep the overall atmosphere smog-free so that Straight will never again be the target of such English compositions as "The White Dungeon."

CAMPHOR HALL DORMITORY COUNCIL

When the strains of "Would you Rather be a Colonel with an Eagle on your Shoulder, or a Private with a Chicken on your Knee" can be heard bellowed forth by some shower taking tenor the Camphor Hall dorm council, in the interest of all, is pledged not to see that he is recommended to the Music Department but that the showers are all sound proofed. However reserving such plans for Conrad Hilton, the immediate concern of generating a wholesome attitude of co-operation is the primary interest of this organization.

Opening with Molnar's "Liliom" then presenting a double bill: "The Maids" by Genet and "The Brute" by Checkhov the Players' Guild scored beautifully. In April the city of New Orleans was treated to the hilarious "Purlie Victorious" by Ossie Davis, and finally, "The Rhinocerous" closed the successful season.

The New Orleans community has been pleasantly awakened to the refreshing presence of genuine 'University Theater'

HOMECOMING
SADIE HAWKINS DAY

As we bring our work on the 1963 LE DIABLE BLEU to a close, we look back over the missed classes, lost sleep, quick tempers, sentimental moods, and breathe with a sigh of relief

There are those persons to whom we are eternally grateful for their wholehearted assistance and support and would like to acknowledge at this time:

To our advisor Mr Winslow, without whose assistance and encouragement this task would have been impossible.

To the entire Nolan Marshall Studios, who are responsible for the excellent photographic materials.

To the Benson Printing Company, especially Mr William Benson, Jr., and Mr Dan Eadie, for their printing, stretching of deadlines, personal correspondence and assistance.

And finally to the administration, faculty, staff and our fellow students, without whose co-operation and support this task could not have been completed.

To each and every one of you, from the depths of our hearts we would like to say, "Thanks A Million" for everything.

We played Bishop and won the 1962 Gulf Coast Athletic Conference Championship by a score of 21-26. Gail Moore, "Miss Homecoming" was proud and beautiful proud of her court and beautiful to observe. The Blue Devils thrilled a crowd of 5,000 persons, many of whom stayed for the Coronation Dance that evening, October 27 1962. The victory was sweet; Mr. and Mrs. Henry Moore were made happy, and Coach Martin's heroes provided us with indelible memories

Audrey Castine, Eunice Owens, Gail Moore, Elsie Ricks, Annette Lee.
